Through Judge Waddill's
Court.

(Special to The Times-Dispatch.)
NORFOLK, VA., May 14.—S. T. Hanger,
acting under a charter granted the Craw-
ford Strawberry Club by the State Corpora-
tion Commission, did a land office busi-
ness in soda water, ice cream and cigars,
in the rooms over his drug-store on High
and Crawford Streets yesterday. Every
other place in town was tightly closed by
Mayor Reed's Sunday observance edict.

The mayor will summon Mr. Hanger to
appear in court on Wednesday to an-
swer to a charge of violating the Sunday
law. If the Corporation Commis-
sion is held, can grant charters for
the sale of soda water, ice cream and
cigars on Sunday. It can also grant chart-
ers for the sale of everything else, and
if the Hanger charter stands there will
be a rush for incorporation by the other
merchants.

STRAWBERRY SEASON.
The climax of the strawberry season
will be reached here this week. Probably
200,000 quarts of the berries will be shipped
from the North to the markets to-day.
Almost as many were shipped Saturday.

There is a good average crop of the
berries and they are in a good condition
for shipment. The weather is also fa-
vorable, but there has been some scarcity
of pickers. However, there was a heavy
influx of them here to-day.

The berries were rather low in price
in New York the latter part of last
week. They were selling at 5 and 6 cents
a quart, but were doing better to-day,
selling at 7 to 10 cents.

HUNDRED-FOOT POLE.

The one hundred-foot wireless tele-
graph pole for the DeForest station, on
the National Bank of Commerce build-
ing, has arrived, and the work of raising
it has begun.

The pole is in three sections. W. H.
Noyes, who has erected and rigged a
number of poles for the DeForest people,
is here with two riggers to work on it.

R. H. Armstrong, resident manager
for the DeForest Company, has been
advised that the chief constructor of the
DeForest Company is now in Washing-
ton, and has been instructed to come
here at once to get the station in work-
ing order. All of the delicate instru-
ments used in sending and receiving
messages have arrived.

BOY YOUNG TO ENLIST.

Raoul Renaud is another lad from the
United States navy for whom a writ
of habeas corpus has been issued by the
Richmond District Court. Eugene
Renaud, of Elizabeth City, the boy's
father, made application for the writ,
and it is directed against Captain Albert
C. Dillingham, commander of the re-
cruiting ship Franklin, as the detainer of
Raoul.

In his application for the writ, the
older Renaud affirms that the boy is under
affidavit of support, that the legal age
for enlistment, and that the boy
entered the navy without his knowledge
or consent.

In granting the writ, Judge Waddill
fixes May 15th at 10 o'clock as the time
for hearing the case. Captain Dilling-
ham is commanded to produce young
Raoul in court, and to state the date
of his enlistment and the cause of
his detention.

Edward Upton Lisk, another youngster
in the navy, was recently ordered dis-
charged by Judge Waddill under similar
proceedings.

Coffee Hurts One in Three

It is difficult to make people believe
that coffee is an absolute poison to at
least one person out of every three, but
people are slowly finding it out, although
thousands of them suffer terribly before
they discover the fact.

A New York hotel man says: "Each
time after drinking coffee I became rest-
less, nervous and excited, so that I was
unable to sit five minutes in one place
and was also inclined to vomit and suffered
from loss of sleep, which got worse and
worse."

"One day on an excursion up the coun-
try I remarked to a young lady friend
that I was greatly improved by coffee. She
explained that some time before she had
gained coffee and taken Postum. She
had gained a number of pounds and her
former palpitation of the heart, humming
in the ears, trembling of the hands and
legs and other disagreeable feelings had
disappeared. She recommended me to
quit coffee and take Postum, and was
very much surprised to find that I had
already made the change."

"She said her brother had also received
great benefits from leaving off coffee and
taking on Postum Food Coffee.
"There's a reason."

(Special to The Times-Dispatch.)
BUCKINGHAM, C. H., VA., May 14.—
Col. James Marshall, C. H., delivered an
address lasting for two hours to a
large gathering here to-day in the inter-
est of the soldiers' monument, in which
he kept his audience convulsed with
laughter. The old soldiers were out in
full force and enjoyed themselves highly.
A great crowd of ladies were present and
served a fine dinner on the ground. A
handsome sum was realized for the monu-
ment. Colonel R. T. Hubbard and Mr. B.
W. Hubbard both made splendid addresses.
The Board of Supervisors were also in
session here to-day and voted \$2,000 to
build a bridge across Albemarle county
and Scottsville. Albemarle county
would pay the same sum and provided the
town of Scottsville will pay \$5,000 and keep
the bridge in repair.

A letter was presented from President
Stevens, of the Chesapeake and Ohio, say-
ing that the bridge should be made a
free bridge if the county of Buckingham
would subscribe \$2,000 for the bridge at
Scottsville.

An agent of a 'phone line was here
to-day trying to perfect plans to build a
'phone line from here to Mantoe.
